WELCOME TO **PLEDGE** INTERNATIONAL

YOUR GLOBAL PARTNER IN **SAFETY, ENGINEERING &** INDUSTRIAL EXCELLENCE

At Pledge International, we don't just supply products we deliver **trust, reliability, and performance.**

With a strong global network and deep industry expertise, we provide innovative solutions that empower industries, protect lives, and drive sustainable growth.

Our commitment to quality, compliance, and customer satisfaction has made us a preferred partner for organizations around the world.

We don't just make promises.
We take a **Pledge** and deliver.

“ Engineering Confidence.
Delivering Excellence.

a better tomorrow

CHAIRMAN'S MESSAGE

Dear Valued Partners,

It is with great pride and a deep sense of responsibility that I welcome you to **Pledge International**.

From our inception, our mission has been clear – to deliver world-class industrial solutions that prioritize **safety, quality, and reliability**. Over the years, this pledge has become the foundation of our company and the reason clients across the globe continue to place their trust in us.

We operate in industries that power the world – where performance is critical and trust is earned. Our team's unwavering commitment, our global partnerships, and our customer-first approach enable us to provide **innovative solutions** that create real value and long-term impact.

As we move forward, we remain focused on **innovation, sustainable growth, operational excellence**, and strengthening our position as your most trusted global partner.

On behalf of the entire **Pledge International** family, I thank our clients, partners, and team members for their continuous support and belief in our vision.

**We don't just make promises.
We take a **Pledge** and deliver.**

Shabbir Burhani

Pledge International

OUR GUIDING VALUES

INTEGRITY

We conduct our business with honesty, transparency and strong ethics.

QUALITY

We are committed to delivering superior quality in everything we do.

RELIABILITY

Our clients rely on us for consistent performance and dependable solutions.

INNOVATION

We embrace innovation to create smarter and safer solutions.

COMMITMENT

We stand by our promises and are dedicated to our clients' success.

PARTNERSHIP

We grow together with our partners through trust and collaboration.

ABOUT US

GLOBAL INDUSTRIAL SOLUTIONS.
DELIVERING TRUST.
CREATING VALUE.

Pledge International is a rapidly growing global industrial solutions company built on the principles of integrity, commitment, reliability, innovation, and uncompromising quality. True to our name, every partnership reflects our pledge to deliver **trusted products, expert guidance, and exceptional service** that businesses can rely on with complete confidence.

As your single-source procurement partner, we simplify industrial sourcing by bringing globally trusted brands, technical expertise, and end-to-end procurement solutions under one platform—helping organizations **save time, optimize costs, streamline procurement, and maximize operational efficiency** without compromising quality.

Our comprehensive portfolio includes Industrial Safety, AED Solurcins, Fire & Gas Detection Systems, Electrical & Arc Flash Safety, Measuring Instruments, Industrial Tools, Special Steel & Engineering Materials, Engine Parts, and Bitumen & Petroleum Products, sourced from internationally recognized manufacturers and industry-leading brands.

We also provide complete AED solutions, offering a wide range of Automated External Defibrillators (AEDs), accessories, consumables, batteries, electrodes/pads, storage cabinets, signage, installation, training, and after-sales support—ensuring you're always prepared to save a life.

At Pledge International, we don't just supply products—we build long-term partnerships that drive safety, performance, and growth.
Your trust is our promise. Your success is our purpose.

WHAT DEFINES US

SAFETY FIRST

We champion safety in every solution, ensuring workplaces, lives, and communities are protected.

TRUST & INTEGRITY

Honesty and transparency guide every relationship and every decision we make.

QUALITY ASSURED

We partner with world-renowned brands and uphold the highest international standards.

INNOVATION DRIVEN

We continuously evolve to bring innovative solutions that solve real-world challenges.

CUSTOMER FOCUSED

Your goals are our priority—dedicated to delivering exceptional value and service.

LONG-TERM PARTNERSHIP

We believe in growing together with our clients, driving sustainable success.

“Behind every product we deliver is a promise we stand by.”

CERTIFIED & COMPLIANT

www.pledgeintl.com

WHY PLEDGE INTERNATIONAL

— AT A GLANCE —

We don't just supply products. We deliver trust, safety, and value through world-class solutions, industry expertise, and a commitment that goes beyond business.

OUR STRENGTH. YOUR ADVANTAGE.

TRUSTED PARTNER

Built on integrity, transparency, and a strong commitment to long-term partnerships.

QUALITY ASSURED

We source only high-quality products from globally certified manufacturers and leading brands.

GLOBAL REACH

Serving clients across the Middle East, Africa, Europe, and Asia with reliable solutions.

INDUSTRY EXPERTISE

Deep industry knowledge enables us to understand your needs and deliver the right solutions.

ONE-STOP SOLUTION

A comprehensive range of industrial and safety products under one roof—saving you time, cost, and effort.

CUSTOMER FOCUSED

Our customers' satisfaction is our priority. We go the extra mile to exceed expectations.

WHAT MAKES US DIFFERENT

SAFETY FIRST

We are driven by our mission to protect people, assets, and environments.

INNOVATION

We embrace innovation to provide advanced solutions for an evolving world.

RELIABILITY

Dependable products, on-time delivery, and consistent support—every time.

VALUE DRIVEN

Competitive pricing without compromising on quality and performance.

SUSTAINABLE APPROACH

We are committed to responsible practices and a better, safer tomorrow.

OUR PROMISE

We pledge to deliver products and services that you can rely on, so you can focus on what matters most—running your business safely and efficiently.

One Trusted Partner.

Pledge International is organized into strategic business divisions to deliver specialized solutions across industries. Each division is backed by deep industry expertise, leading global brands, and a commitment to safety, quality, and performance.

OUR BUSINESS DIVISIONS

01

SAFETY PRODUCTS

A comprehensive range of Personal Protective Equipment (PPE) and safety solutions to protect people and promote a safe work environment.

02

**AEDS
(THE DEFIBILLATORS)**

Life-saving AEDs, accessories, consumables, and complete solutions to support rapid response in critical situations.

03

**MEASURING
INSTRUMENTS**

Precision measuring instruments and detection devices for accurate monitoring, testing, and quality assurance.

04

**SPECIAL STEEL &
ENGINEERING MATERIALS**

High-quality special steel, ferrous & non-ferrous metals, and engineering materials for demanding industrial applications.

05

TOOLS

Industrial tools, power tools, hand tools, and equipment designed for performance, durability, and efficiency.

06

ENGINE PARTS

Genuine and OEM engine parts for marine, industrial, and heavy-duty applications ensuring optimal performance.

07

**BITUMEN &
PETROLEUM PRODUCTS**

Premium bitumen grades and petroleum products for road construction, maintenance, and industrial use.

08

**VALUE ADDED
SERVICES**

Sourcing, technical support, logistics, and after-sales service – delivering end-to-end solutions that add real value.

**ONE PARTNER.
COMPLETE SOLUTIONS.**

Our integrated approach across divisions ensures efficiency, compliance, and long-term value for every customer.

AVAILABLE IN MULTIPLE SHAPES

ROUND BAR

Dia: 10mm to 1000mm
All grades available in various lengths

HEX BAR

Size: 10mm to 1000mm
Precision cut, straight & accurate

FLAT BAR

Thickness: 10mm to 200mm
Width: up to 1000mm
Custom lengths

SHEET / PLATE

Thickness: 0.5mm to 100mm
Width: up to 2000mm
Length: up to 6000mm

OTHER FORMS

Pipe, Tube, Hollow Bar, Fittings & Custom Machined Parts

GRADE HIGHLIGHTS

DUPLEX & SUPER DUPLEX

Excellent corrosion resistance & high strength for demanding environments.

INCONEL ALLOYS

High temperature strength, oxidation & corrosion resistance for extreme conditions.

ALLOY STEELS (EN & AISI)

High strength, toughness & wear resistance for critical engineering applications.

STAINLESS STEELS (SS316 / SS304)

Superior corrosion resistance and fabrication performance for wide applications.

ALUMINIUM ALLOYS (6068 & 7075)

High strength to weight ratio, excellent machinability for aerospace & high performance use.

BRASS, COPPER & BRONZE

Excellent conductivity, corrosion resistance & machinability.

WIDELY USED ACROSS CRITICAL INDUSTRIES

ENGINE PARTS

POWER THAT KEEPS YOU MOVING.

We supply a comprehensive range of high-quality engine parts for industrial, marine, power generation and heavy-duty applications. Sourced from trusted manufacturers, our parts deliver exceptional performance, durability and reliability – helping you minimize downtime and maximize productivity.

PLEDGE
INTERNATIONAL

PLEDGE TO PROTECT &
EMPOWERING THE FUTURE

QUALITY PARTS.
RELIABLE PERFORMANCE.
MAXIMUM UPTIME.

PREMIUM QUALITY
Parts from trusted OEMs and world-class brands ensuring quality & durability.

WIDE COMPATIBILITY
Suitable for a wide range of engines, equipment and applications.

HIGH PERFORMANCE
Engineered for efficiency, power and long-lasting reliability.

RELIABLE SUPPLY
Consistent availability and on-time delivery worldwide.

EXPERT SUPPORT
Technical expertise to help you find the right part, every time.

OUR ENGINE PARTS RANGE

ENGINE COMPONENTS

- Pistons & Rings
- Cylinder Liners
- Gaskets & Seals
- Valves & Guides
- Engine Bearings

DRIVETRAIN PARTS

- Crankshafts
- Connecting Rods
- Camshafts
- Timing Gears & Chains
- Flywheels

FUEL SYSTEM PARTS

- Fuel Injectors
- Fuel Pumps
- Nozzles & Plungers
- Injection Pump Parts
- Filters & Elements

TURBOCHARGERS

- Turbochargers
- Turbo Core Assemblies
- Actuators
- Repair Kits
- Gaskets

FILTERS & BELTS

- Oil Filters
- Fuel Filters
- Air Filters
- Cabin Filters
- V-Belts & Timing Belts

ELECTRICAL PARTS

- Starters
- Alternators
- Sensors
- Solenoids & Relays
- Wiring Harnesses

COOLING SYSTEM

- Water Pumps
- Radiators
- Thermostats
- Fan Clutches
- Hoses & Connectors

EXHAUST SYSTEM

- Exhaust Manifolds
- Mufflers
- EGR Valves
- DPF Components
- Clamps & Gaskets

LUBRICANTS & MAINTENANCE

- Engine Oils
- Coolants
- Greases
- Sealants
- Maintenance Kits

OVERHAUL KITS

- Engine Overhaul Kits
- Gasket Sets
- Bearing Sets
- Piston Kits
- Valve Kits

SUITABLE FOR MULTIPLE APPLICATIONS

POWER GENERATION
Reliable parts for continuous power and performance.

MARINE ENGINES
Built to withstand harsh marine environments.

INDUSTRIAL ENGINES
High performance for industrial equipment.

CONSTRUCTION EQUIPMENT
Durable parts for heavy-duty construction machines.

AGRICULTURAL MACHINERY
Keep your machines running strong in the field.

TRUCKS & COMMERCIAL
Quality parts for trucks and commercial vehicles.

TRUSTED GLOBAL BRANDS

We supply parts for a wide range of leading engine brands. Contact us for specific requirements.

VALUE ADDED SERVICES

TECHNICAL EXPERTISE
Our experts help you select the right part.

GENUINE & OEM PARTS
Genuine and OEM quality parts for guaranteed performance.

QUALITY ASSURED
Stringent quality checks to ensure reliability and safety.

GLOBAL SUPPLY CHAIN
Efficient logistics and worldwide delivery network.

AFTER-SALES SUPPORT
Dedicated support for all your after-sales requirements.

BITUMEN & PETROLEUM PRODUCTS

ENERGY THAT POWERS PROGRESS.

We supply a comprehensive range of high-quality bitumen and petroleum products to support construction, infrastructure, industrial and energy sectors. Our products are sourced from reputable refineries and suppliers worldwide, ensuring consistent quality, reliable supply and competitive value.

PREMIUM QUALITY.
CONSISTENT SUPPLY.
MAXIMUM PERFORMANCE.

PREMIUM QUALITY
Sourced from trusted refineries and manufacturers meeting international quality standards.

WIDE RANGE
Complete range of bitumen and petroleum products for diverse industrial needs.

RELIABLE SUPPLY
Strong global network ensuring consistent availability and on-time delivery.

COMPETITIVE PRICING
Best value solutions without compromising on quality.

EXPERT SUPPORT
Technical expertise and dedicated support at every step.

OUR BITUMEN PRODUCTS

BITUMEN 60/70

Widely used in road construction, highway projects and general paving applications.

- Penetration: 60/70
- Excellent durability
- High softening point
- Suitable for hot climate

BITUMEN 50/70

Ideal for heavy traffic roads and infrastructure projects requiring high performance.

- Penetration: 50/70
- High binding strength
- Excellent weather resistance
- Long service life

BITUMEN 80/100

Perfect for prime coating, tack coating and industrial applications.

- Penetration: 80/100
- Good adhesion
- Cost-effective solution
- Reliable performance

BITUMEN 85/100

Suitable for road maintenance and various industrial paving applications.

- Penetration: 85/100
- Consistent quality
- Easy to apply
- Economical choice

BITUMEN VG-10 / VG-20 / VG-30

Vacuum bottom bitumen for waterproofing, paints, mastics and roofing systems.

- VG-10, VG-20, VG-30
- Low moisture & ash content
- High softening point
- Excellent performance in industrial use

OUR PETROLEUM PRODUCTS

DIESEL EN590

High quality diesel for industrial, commercial and transportation use.

- High energy content
- Low sulfur
- Efficient performance
- Meets international specifications

GASOLINE (PETROL)

Premium grade gasoline suitable for modern engines.

- High octane
- Clean combustion
- Better mileage
- Engine protection

FURNACE OIL

Reliable fuel oil for industrial boilers, furnaces and heating systems.

- High thermal efficiency
- Consistent quality
- Suitable for various industrial applications

BASE OIL

High quality base oils for lubricant manufacturing and industrial use.

- Excellent viscosity index
- High stability
- Long oil life
- Wide application range

PARAFFIN WAX

Used in candles, packaging, coatings, polishes and various industries.

- Fully refined
- High melting point
- White & odourless
- Consistent quality

BITUMEN EMULSION

High performance bitumen emulsions for road construction & maintenance.

- Rapid breaking
- Environment friendly
- Easy to apply
- Cost effective

VALUE ADDED SERVICES

BEYOND PRODUCTS. DELIVERING COMPLETE SOLUTIONS.

At Pledge International, we go beyond supplying products. We deliver end-to-end solutions that add value, build trust, and ensure long-term success for our clients.

PLEDGE TO PROTECT & EMPOWERING THE FUTURE

EXPERTISE

Industry knowledge and technical excellence.

COMMITMENT

Dedicated to quality, safety and client success.

RELIABILITY

Consistent performance and dependable support.

GLOBAL REACH

Worldwide sourcing and delivery capabilities.

OUR VALUE ADDED SERVICES

TECHNICAL CONSULTATION

Our experts provide professional advice to help you choose the right solutions for your needs.

PRODUCT SELECTION

We help you select the most suitable products that ensure safety, efficiency and long-term performance.

PROCUREMENT OUTSOURCING

We manage the entire procurement process to save you time, reduce costs and simplify operations.

OEM & GLOBAL SOURCING

Access to a wide network of OEMs and global manufacturers for genuine and hard-to-find products.

VENDOR CONSOLIDATION

We consolidate your requirements with multiple suppliers to streamline supply and reduce costs.

CUT-TO-SIZE & CUSTOM SERVICES

Custom cutting, shaping and processing of materials as per your drawings and specifications.

CALIBRATION SUPPORT

We provide calibration support for measuring instruments to ensure accuracy and compliance with standards.

INSTALLATION & COMMISSIONING

Professional installation and commissioning support for equipment and safety systems.

MAINTENANCE & AMC

Annual Maintenance Contracts and preventive maintenance for uninterrupted and reliable operations.

TRAINING & AWARENESS

We provide product training and safety awareness programs to build knowledge and competence.

GLOBAL LOGISTICS & DELIVERY

Efficient logistics network ensuring on-time delivery anywhere in the world – by air or sea.

EXPORT DOCUMENTATION

Complete support for export documentation, certifications and customs clearance worldwide.

QUALITY INSPECTION & TESTING

Rigorous inspection and testing to ensure our products meet the highest quality and safety standards.

AFTER-SALES SUPPORT

Dedicated after-sales support to ensure your satisfaction and build long-term partnerships.

ADDING VALUE. CREATING IMPACT.

CUSTOMIZED SOLUTIONS

Tailored to your unique needs.

COST EFFECTIVE

Optimized solutions for better savings.

QUALITY ASSURED

Only genuine and certified products.

ON-TIME DELIVERY

Reliable delivery you can count on.

EXPERT SUPPORT

A team of experts by your side.

LONG-TERM PARTNERSHIP

We grow when you grow.

GLOBAL PROCUREMENT PROCESS

PLEDGE TO PROTECT &
EMPOWERING THE FUTURE

SMARTER SOURCING. STRONGER SUPPLY CHAINS.

OUR COMMITMENT IN NUMBERS

Every statistic represents our dedication to quality, reliability and building a safer, stronger and sustainable future.

QUALITY

We deliver the best.

RELIABILITY

You can count on us.

INNOVATION

We evolve for you.

TRUST

We earn it every day.

PLEDGE INTERNATIONAL

SUSTAINABILITY

BUILDING A BETTER TODAY
FOR A STRONGER TOMORROW

At Pledge International, sustainability is at the core of our business. We are committed to responsible practices that protect the planet, empower people, and create long-term value for future generations.

OUR SUSTAINABILITY PILLARS

ENVIRONMENTAL STEWARDSHIP

We minimize our environmental footprint through efficient resource use, waste reduction, and initiatives that combat climate change.

SOCIAL RESPONSIBILITY

We care for our people, support the communities we serve, and uphold health, safety, and well-being in everything we do.

ETHICAL & RESPONSIBLE GOVERNANCE

We operate with integrity, transparency, and accountability—ensuring ethical business practices and compliance with global standards.

SUSTAINABLE PARTNERSHIPS

We collaborate with like-minded partners and suppliers who share our commitment to sustainability and responsible growth.

INNOVATION FOR A BETTER FUTURE

We drive innovation in our products, solutions, and processes to create smarter, safer, and more sustainable outcomes for industries.

OUR COMMITMENTS

- REDUCE OUR ENVIRONMENTAL FOOTPRINT**
Continuously improve energy efficiency, reduce emissions, and conserve natural resources.
- PROMOTE SAFE & HEALTHY WORKPLACES**
Ensure the highest standards of health, safety, and well-being for our employees and partners.
- SUPPORT COMMUNITIES**
Invest in education, health, and community development initiatives that create a positive social impact.
- UPHOLD ETHICAL BUSINESS PRACTICES**
Maintain zero tolerance for corruption, unfair practices, and human rights violations.
- DELIVER SUSTAINABLE SOLUTIONS**
Provide products and services that help our customers achieve their sustainability goals.

SUSTAINABLE SUPPLY CHAIN

We work with trusted suppliers who meet our stringent environmental, social, and governance (ESG) criteria—building a resilient and sustainable supply chain.

ENVIRONMENTAL IMPACT*

- 30% REDUCTION** in our overall carbon emissions by 2030
- 25% REDUCTION** in water consumption by 2030
- 90% OF WASTE** diverted from landfills through recycling & responsible disposal
- use of renewable energy across our operations

* Baseline Year: 2023 | Targets: By 2030

GLOBAL GOALS. LOCAL ACTION.

We align our sustainability efforts with the United Nations Sustainable Development Goals (SDGs) to contribute to a better and more sustainable world.

Together with our partners, customers, and communities, we are creating a positive impact that goes beyond business—today and for generations to come.

TOGETHER,
BUILDING A
SUSTAINABLE FUTURE

Every action counts.
Every choice matters.
